

**Dr. Merli Tamtik** is assistant professor in educational administration in the Faculty of Education, University of Manitoba. Her research interests are in multi-level governance systems, internationalization of (higher) education and education policy. She is a recipient of several federal (SSHRC) and institutional grants for her research projects. In 2014 Dr. Tamtik received Graduate Policy Research Challenge Award by Ontario Ministry of Training, Colleges and Universities for her PhD work. In 2019 she was the recipient UofM/UMFA Merit Award in 2018 for Research Category. Her work is widely published in international peer-reviewed journals such as *Journal of Studies in International Education, Science and Public Policy, Review of Policy Research, Higher Education* and others. Her current research examines Indigenous entrepreneurship and international student experiences in Manitoba. In 2020 Dr. Tamtik was awarded Canadian Bureau of International Education (CBIE) Catalyst Award for her co-edited book “International Education as Public Policy in Canada” by McGill-Queens University Press.
